2007-2008 NSC MEET RESULTS

On Saturday, December 1st, we had our second CCWSL dual meet against traditionally strong Windsor. We continued to narrow the gap between NSC and other Division I teams by having a closer meet points-wise than our meet against Windsor last year. We showed a lot of improvement from our 1st meet of the year. And we continue to hit our best time goals. Let's keep it up!!

Every meet we have a team goal of 50% personal best time swims. This is how we determine our success. Not by winning or losing. You can achieve a best time after you've already swum an event at least once. Here are the stats:
